

Españolé - IH Valencia

Españolé International House Valencia is located in the city centre, and just a step away from all the interesting sights and services.

The school occupies an entire four-story building and offers excellent facilities for language study. It has 10 spacious classrooms with air-conditioning and natural light, all of which are perfectly equipped. In addition, students have a library, video room, students' room, computer room and rooftop terrace.

We offer high-quality Spanish courses in a familiar and friendly atmosphere. Our aim is to teach you to speak Spanish as quickly as possible, while enjoying the Spanish lifestyle and culture.

The school has modern facilities and offers a wide range of courses given by extremely professional teachers. We take care of all the details with respect to student lodgings, and encourage our students to participate in the cultural activities we organise every week.

Work experience

This programme combines an intensive Spanish course with an apprenticeship of at least 4 weeks working in a company. Working in a foreign company is a very rewarding experience, as in addition to giving you the chance to practise Spanish, you can learn the language that is specific to your job, and when you finish, we give you a full report that you can use as a reference in the future.

Before starting the work experience you will have to attend a Spanish course of at least 2 weeks to prepare you for work. You can choose from among any of the intensive courses, but at least the B1 level is required.
