## **LSBF LLM in International Business Law**

In today's business world, a global perspective is imperative. To be a successful leader, a sound understanding of the fundamentals of business practice is essential. It is therefore no surprise that demand for professionals with a firm academic background in international business law continues to grow, so we have developed our law provision to meet global economic demands and your career objectives with the introduction of the LSBF Law masters.

As a graduate of the LSBF LLM in International Business Law will benefit from well developed skills in strategic planning and operations management, balanced with a deep understanding of the impact of international law on business practices. Through this programme, we deliver the skills and knowledge required to meet the needs of current and aspiring middle to senior managers and legal practitioners.

The programme covers relevant topics such as:

- International prevalence
- Influence of common law thinking and common law principles

The programme content is structured to ensure a substantive understanding of:

- International trade law principles
- Market behaviours
- Freedoms and leadership
- Behavioural standards

Specialism in areas as global financial law, commercial contracting law and international intellectual property law are facilitated through the two elective modules that make up your LLM programme. LSBF can assist in making elective modules decisions, converse with one of our advisor to learn more about shaping your future with a Masters in Law.

With an international perspective in mind, we bring together our experience in business education, a faculty of leading industry experts as well as the most recent and relevant case studies and research to develop our incredibly industry focused, pertinent and innovative LLM in an International Business Law programme.

Bradford University has been selected as our award body to validate and award our law programme, blending our distinguished experience in business and finance with a long and established history in delivering law programmes. By studying the LSBF LLM in International Business Law in the heart of London, you will no doubt benefit from the career and internship opportunities that "legal London" has to offer.
