

ENGLISH LANGUAGE PROGRAMS UNIVERSITY of PENNSYLVANIA, PENN 2012

Coming è centro di iscrizione riconosciuto e qualificato per i corsi offerti da "Penn, University of Pennsylvania"

The University of Pennsylvania English Language Programs (ELP) offers instruction in English as a second or international language and exposure to the cultures of the United States. We serve adults whose purpose is to learn English for a variety of social, professional, academic, or personal reasons.

We also offer testing, consulting services, and cross-cultural training. In addition, we contribute to the ESL profession as a whole by our work as researchers, presenters, and educators.

Programs Available

- **Intensive and Super-Intensive and Business Intensive Programs**
2-month courses year round; general, academic, and business English
- **University Connection**
10-month preparation for university application and admissions
- **English Plus**
Intensive English plus University credit courses (summer only)
- **International Business Communication Program**
4-week advanced program for professionals
- **Conversation and Culture**
4-week programs in July and August
- **Summer Institute for International Business Students**
Pre-MBA program for students planning to apply to any US MBA program
- **Business Programs**
4-week courses; summer pre-MBA program; short courses for executives
- **Online course**
On-line courses for students and professionals
- **ITA Testing and Training**
Certification and training for International Teaching Assistants

Housing, Dining and Campus Life

Housing Options

- **On-Campus Penn Dormitories For Summer Programs** provide students with a true US university living experience. The Penn Dormitories are located just minutes away from the ELP classrooms and are available for ELP students attending summer programs only.
- **ELP House at the Sheraton** is located three blocks from the ELP at 34th and Walnut Streets. Consisting of two special floors that are dedicated to student housing, these accommodations are air-conditioned and include access to hotel amenities.
- **Homestay** allows students to experience American culture in the warmth, variety, and spontaneity of an American home while having frequent, relaxed opportunities to practice English conversation.
- **International House** is a safe, high-rise building just a few blocks from the University of Pennsylvania. International House, which is organized into suites that consist of ten single rooms and a common lounge, provides a friendly living experience for over 350 American and international students.
